

MAP-Fis 2012/2013

Time	Monday	Tuesday	Wednesday	Thursday	Friday		
08:00 - 08:30							
08:30 - 09:00							
09:00 - 09:30							
09:30 - 10:00							
10:00 - 10:30		Experimental Particle and Astroparticle Physics† Room: S4 Chemistry Dep. (UP)		Sensors and Electronic Devices Room: UM B2075	Experimental Techniques of Nanomaterials Room: UM Anf. Fisica		
10:30 - 11:00							
11:00 - 11:30	General Relativity*† Room: UP						
11:30 - 12:00							
12:00 - 12:30							
12:30 - 13:00			General Relativity*† Room: UP	Numerical simulation of the atmosphere and ocean†† Room: 23.3.11 Compl. Pedag. (UA)			
13:00 - 13:30							
13:30 - 14:00							
14:00 - 14:30				Numerical simulation of the atmosphere and ocean†† Room: 23.3.11 Compl. Pedag. (UA)	Computational Physics		
14:30 - 15:00							
15:00 - 15:30				Magnetism of Nanostructured Systems Room: UM Anf. Fisica	Room: UM B2075		
15:30 - 16:00		Climate variability and change†† Room: 13.2.25 Physics Dep. (UA)			Guided Optics		
16:00 - 16:30						Room: UM Anf. Fisica	
16:30 - 17:00	General Relativity*† Room: UP					Guided Optics	
17:00 - 17:30					Room: UM B2075		
17:30 - 18:00				Selected Topics in Biophysics	Room: UM B2075		
18:00 - 18:30							
18:30 - 19:00							
19:00 - 19:30							
19:30 - 20:00							

Notes:

All courses will be held at the University of Minho, except where indicated.

*General Relativity has already commenced.

† These modules will all be based at the University of Porto.

†† These modules will all be based at the University of Aveiro.
