

MAP-Fis 2012/2013

Time	Monday	Tuesday	Wednesday	Thursday	Friday			
08:00 - 08:30								
08:30 - 09:00								
09:00 - 09:30								
09:30 - 10:00								
10:00 - 10:30		Experimental Particle and Astroparticle Physics† Room: UP		Sensors and Electronic Devices Room: UM B2075	Experimental Techniques of Nanomaterials Room: UM Anf. Fisica			
10:30 - 11:00								
11:00 - 11:30	General Relativity*† Room: UP							
11:30 - 12:00								
12:00 - 12:30						General Relativity*† Room: UP	Numerical simulation of the atmosphere and ocean†† Room: UA	
12:30 - 13:00								
13:00 - 13:30								
13:30 - 14:00								
14:00 - 14:30				Numerical simulation of the atmosphere and ocean†† Room: UA	Computational Physics Room: UM B2075			
14:30 - 15:00								
15:00 - 15:30				Magnetism of Nanostructured Systems Room: UM Anf. Fisica	Guided Optics Room: UP			
15:30 - 16:00		Climate variability and change†† Room: UA						
16:00 - 16:30								
16:30 - 17:00	General Relativity*† Room: UP							
17:00 - 17:30								
17:30 - 18:00								
18:00 - 18:30					Selected Topics in Biophysics Room: UM Anf. Fisica			
18:30 - 19:00								
19:00 - 19:30								
19:30 - 20:00								

Notes:

All courses will be held at the University of Minho, except where indicated.

*General Relativity has already commenced.

† These modules will all be based at the University of Porto.

†† These modules will all be based at the University of Aveiro.
