GTTSE 2005
Summer school assessment form

I am ...
- [ ]   Regular participant
- [ ]   Technology presenter
- [ ]   Lecturer

In my view, the *combination of topics* was ...
- [ ]   Outstanding
- [ ]   Just Ok
- [ ]   Too ambitious
- [ ]   Rather unclear

The overall *quality* of the presentations was ...
- [ ]   Very good – state of the art
- [ ]   More than just reasonable
- [ ]   Mostly Ok
- [ ]   Often not Ok

Regarding a possible *future* of this summer school, the following ideas appeal ...
- [ ]   A dedicated conference (or high end workshop)
- [ ]   An IFIP working group
- [ ]   A summer school series
- [ ]   A dedicated journal on transformational and generative techniques

(Check all options that you recommend.)

My *favorite presentations* are the following:

[ ]	Batory	[ ]	v.d. Brand
[ ]	Baxter	[ ]	Bravenboer
[ ]	Bezivin	[ ]	Dean
[ ]	Chiba	[ ]	El-Ramly
[ ]	Hainaut	[ ]	Galhardas
[ ]	Hu	[ ]	Heuzeroth
[ ]	Meijer	[ ]	Jouault
[ ]	Mens	[ ]	Kniesel
		[ ]	Winter
		[ ]	Zündorf

(Check 0-3 speakers from the left and the right category).

When I decided about attendance of the school ...

[ ] I carefully investigated all available information.

[ ] I followed the advice of my supervisor.

[ ] I admit that the summer school location was persuasive.

(Check multiple boxes where appropriate.)

Comments that I would like to pass on to the organizers
